CENTRAL INTELLIGENCE AGENCY CONTRACTING OFFICER'S DETERMINATIONS AND FINDINGS

25X1A	AUTHORITY TO NEGOTIATE CONTRACT
	The Central Intelligence Agency proposes to enter into a contract
25X1A	with designated
	as Task Order No. 5 to Contract No. for research studies,
25X1A	investigations, developmental work and tests in connection with the pro-
23/1/	gram [
25X1A	I hereby find that this procurement, Project OXCART is estimated to
	cost and is chargeable to OXCART funds to be allocated to the
	Task Order on an installment basis and is for a research and developmental
	program authorized in Par. h. of Activity Program, OXC-0703, dated 12 July
	1960. I also find that this procurement is in the interest of National
	Defense and that it will be certified by the Director of Central Intelli-
	gence in accordance with procedure approved by the DCI on 15 December 1956, to be for objects of a confidential, extraordinary and emergency
	nature and therefore within the purview of procurement authority of the
	Agency as stated in Section 10(b) of Public Law 110, 81st Congress. Pro-
	curement by formal advertising of the services called for by the proposed
	Task Order would result in public disclosure of the nature and character
25X1A	of the Program and would thereby jeopardize the security classifi-
	cation of the OXCART Project.
	I hereby determine, as Contracting Officer for this contract, that
	the necessity and authority for negotiation of this contract have been
	adequately documented by proper Agency authority, and that the proposed
ч .	contract must necessarily be negotiated without formal advertising.
